

PUGET SOUND MUSIC FOR YOUTH ASSOCIATION

THE FUTURE OF MUSIC IS HAPPENING TODAY

MUSICAL ENHANCEMENT FOR YOUTH THROUGH EDUCATION, PRACTICES,
PERFORMANCES AND COMPETITION

The Puget Sound Music for Youth Association is a Washington State non-profit business, located in Spanaway, Washington. The association was started in June 2009 by Paul Manuel, a local businessman and a musician for over 35 years playing Blues and Rock Flute, and some parents passionate about fostering the development of youth music and belief that all young people should have their opportunity to experience and create music. We are primarily volunteer driven, and a proud part of the musical fabric of the region.

We teach youth how to work as a musical team and above all have fun while doing what they enjoy. "AGE IS A BARRIER THAT CAN BE OVERCOME WITH THE HELP OF A YOUNG MUSICIAN." We started out as a group of young people playing music, singing, and swing dancing at the 2009 Daffodil Parade where we took a first in our division. Currently there are eight musical teams of kids ranging in age from 11 to 18. We have Blues, Rock, Hard Rock, Classic Rock, and Metal. We have additional young members that are looking to be part of a band. These kids play awesome music and play around the Puget Sound. Our goal is to increase membership and get more kids involved to create more musical teams.

Creating music is common to every culture in the world. Music is an expression of who we are as individuals and as a society, and its impact can be deep and profound. Making music feels great, no matter what the skill level. It provides essential nourishment to human development and has the power to transform lives. Recognizing the power of live music is magnified when young people play together.

OUR VISION IS TO FOSTER THE DEVELOPMENT OF YOUTH THROUGH
MUSIC EDUCATION, PRACTICES, PERFORMANCES AND COMPETITIONS.
